The Honorable Tony N. Leung  
Magistrate Judge  
United States District Court  
300 South Fourth Street  
Minneapolis, MN 55415

Re: *United States v. Bock, et al.*, 22 CR 223 (NEB/TNL)

Dear Judge Leung:

Pursuant to the Court's order (Dkt. #51), the parties have met and conferred concerning pretrial proceedings in the above-referenced case. I am writing to inform the Court about the case management schedule as discussed by the parties.

The parties agree to the following dates:

1. The government will begin to produce discovery starting the week of November 7, 2022;
2. Defense will have 6 months to prepare and file pretrial motions;
3. Defense pretrial motions will be due May 8, 2023; and
4. The government's pretrial responses will be due June 19, 2023.

Once the Court has scheduled a motions hearing, the parties propose a deadline for notices of intent to call witnesses (and responses to notices of intent to call witnesses) to occur two weeks and one week, respectively, prior to the motions hearing.

Please let us know if the Court needs more information from the parties.

Respectfully submitted,

ANDREW M. LUGER  
United States Attorney
